**CITGO FUELING EDUCATION STUDENT CHALLENGE
OFFICIAL RULES**

NO PURCHASE NECESSARY. VOID WHERE PROHIBITED.

MANY MAY ENTER, FEW MAY WIN.

**PRIOR TO ENTRY, A CONSENT FROM EACH ENTRANT'S PARENT/LEGAL GUARDIAN IS
REQUIRED AS DESCRIBED BELOW.**

1. ELIGIBILITY: The CITGO Fueling Education Challenge ("Contest") is open to legal residents of the 50 United States and the District of Columbia (the "Eligibility Area") who are enrolled as students in Grade 5, 6, 7, or 8 at an eligible school located within the Eligibility Area (each such eligible participant, a "Student"). An "Eligible School" is defined as a public, private or parochial school located within the Eligibility Area that: [a] is organized and primarily operated for educational purposes; [b] contains any class with students in Grade 5, 6, 7, or 8; and [c] is considered tax-exempt under section 501(c)(3) of the Internal Revenue Service Tax Code (or has a similarly equivalent tax-exempt designation as determined by Sponsor, or is registered as a public school with the National Center for Educational Statistics). Employees, officers and directors of Discovery Education, Inc. ("Sponsor") and its promotional supporter CITGO Petroleum Corporation ("CITGO"), their respective parent companies, subsidiaries, affiliates, agents, advertising and promotion agencies, promotional suppliers (aforementioned individuals and organizations collectively, the "Contest Entities") and their immediate family members (spouse, parents, siblings, and children, regardless of where they live) and members of the same households (whether related or not) are not eligible. Sponsor's determinations of eligibility are final and may be made at any time. Void outside the Eligibility Area and where prohibited.

2. AGREEMENT TO OFFICIAL RULES: PARTICIPATION IN THE CONTEST CONSTITUTES EACH STUDENT'S FULL AND UNCONDITIONAL AGREEMENT TO AND ACCEPTANCE OF THESE OFFICIAL RULES AND THE DECISIONS OF THE SPONSOR AND JUDGES, WHICH ARE FINAL AND BINDING. Each Student's parent(s) or legal guardian(s) ("Parent") having legal right to contract on behalf of the Student, unconditionally agrees to all conditions of these Official Rules on behalf of Parent and such Student, and further agrees to sign any required documents if such Student is chosen as a finalist or potential winner. Winning a prize is contingent upon fulfilling all requirements set forth in these Official Rules. The Sponsor reserves the right in its sole discretion to disqualify any entry at any time in the event it is determined that any Student or Parent associated with the entry has not agreed to or complied with these Official Rules.

3. BRIEF CONTEST DESCRIPTION: A Student will have the opportunity to create an original entry video in accordance with the challenge outlined in Section 6 below, either as an individual or as part of a team of 2-4 Students (each such team of Students, a "Team"). **Students participating as a Team must all attend the same school.** Parental consent is required for all entrants and Team members prior to entry, as detailed in Section 5 below. Entries must align with one of following four entry topics: [1] Safety & Well-Being; [2] Quality Education; [3] Sustainable Cities and Communities; or [4] Life on Land. Complete entry requirements and instructions are available at www.fuelingeducation.com (the "Website"). There is a limit of one (1) entry per Student, regardless of whether that Student participates as an individual or as part of a Team. Entries will be judged according to the process and criteria set forth in Section 10. Prizes are described in Section 11 below. Note that the value of any associated cash prize awarded to a winning Team will be divided equally among the winning Team's Students.

4. CONTEST TIMING:

- Entry “Submission Period”: The entry Submission Period begins at 12:00 PM Eastern Time (“ET”) on October 22, 2019 and ends at 8:00 PM ET on March 2, 2020.
- Judging: On or before March 31, 2020, eligible entries will be judged by the Sponsor’s designated judges in accordance with the judging criteria set forth in Section 10 below, to determine the winners.
- Winner Announcement: The winners will be announced at the Website in the Spring of 2020.

The Sponsor reserves the right to extend the Submission Period and/or change the timing of the subsequent dates, in Sponsor’s sole discretion. If such changes are made, the new timing will be noted at the Website and in these Official Rules.

5. PARENTAL CONSENT AND REGISTRATION: Starting at 12:00 PM ET on October 22, 2019, Parents of Students must visit www.fuelingeducation.com and follow the on-screen directions to complete the online Parental Consent Form (“Consent Form”) and submit it so it is received in accordance with the directions found on the form. The Parents will also be prompted to set up a username and password for the Students during completion of the Consent Form. Once a Parent submits the Consent Form, a registration page will appear online as a separate window (“Registration Form”), and the Parent must complete the information requested in the Registration Form prior to **8:00 PM ET on March 2, 2020**, which may include without limitation, the Student’s full name, home address, home phone, email address, birth date, age, gender, school grade, Parent’s name and email address, school information and local media information (such as nearby newspaper and television station information), and Team name if participating as a Team. Username confirmation will be sent to both the Student and the Student’s Parent at the email addresses provided in the Registration Form.

Once the Parent completes this process and provides the username and password to the Student (and the Parent completes the YouTube video upload process described below in Section 8), the Student may use his/her username and password in order to complete the entry as described below in Section 9. The entry must be completed, submitted and received no later than **8:00 PM ET on March 2, 2020**. **Students participating as a Team must first name and identify one Student as the “Student Team Leader” for the Team, whose Parent will complete the Consent Form and Registration Form so that the Student Team Leader may subsequently submit the Team’s entry on behalf of the Team. Prior to entry submission, the Student Team Leader must also visit the Contest’s entry page and upload Consent Forms for the other Student(s) on the Team, which must be properly completed by the Parent of such Student(s).** The Contest Entities hereby disclaim any liability for any disputes between Team members arising under or related to the Contest.

If the Parent of a Student (or in the case of a Team, the Parent of the Student Team Leader) does not submit the Consent Form and the Registration Form described above (in addition to completing the YouTube video upload process described below) by the applicable deadlines stated above, the Student and/or Team will not be permitted to enter the Contest. Further, Teams will be disqualified if a properly completed Consent Form is not received for an authorized Parent of each Team member.

6. THE CHALLENGE: The Student/Team must create an original one- to two- minute video that:

- Identifies a problem in their community that aligns with one of the following four entry topics: [1] Safety & Well-Being; [2] Quality Education; [3] Sustainable Cities and Communities; or [4] Life on Land; and
- Discusses the problem they have identified in their community, and their solution to the problem.

Only the Student(s) may appear in an entry video. The likeness of any other person is prohibited. For Team submissions, each Student Team member must appear in the video, and each must give a portion of the presentation within the video. Student/Teams must work independently on the development of their entry and must record their entry video with minimal help or direction from others. Entrants can find additional inspiration online at www.fuelingeducation.com.

See Section 7 for additional entry requirements and restrictions, Sections 8 and 9 for how to submit an entry, and Section 10 for judging criteria.

7. ADDITIONAL ENTRY REQUIREMENTS AND RESTRICTIONS:

Entry videos must be at least 60 seconds in length, but not longer than 120 seconds.

If any portion of an entry video was filmed by anyone other than the Student(s), the Student(s) represent and warrant that such person(s) have granted the Student(s) all rights to the video, and that the Student/Team can and will give written copies of such permissions to the Sponsor upon request.

Entry videos may not contain any music or sound effect unless either: [a] the music/sound effect was created by the Student or by someone who has given the Student written permission to use the music/sound effect; [b] the music composition is in the public domain and was performed by the Student or by someone who has given the Student written permission to use the performance without restrictions. Students and their Parent(s) must be certain that any music or sound effect conforms to all applicable requirements.

It is further recommended that the statement "This is my/our Fueling Education contest entry video" be made at the beginning of each entry video.

All forms of copyright infringement, privacy or publicity rights violation, plagiarism and/or fraud are prohibited in all aspects of the Contest. The work must be original. While minimal citations or quotes from other sources are allowed if attributed to the original author, wholesale copying of another's work is not permitted and may result in disqualification. All determinations of plagiarism or fraud will be made by Sponsor in the Sponsor's sole discretion, and such determinations may be made at any time. If such a determination is made after any recognition or prizes have been awarded to a Student, the Sponsor reserves the right to revoke any recognition and demand the return of any prizes (or the value of such prizes) from the affected Student and the Student's Parent(s).

Entries must be in English. Entries must not include any branded products, trademarks or logos, except that trademarks or logos owned by Discovery Education or CITGO (the "Provided Elements") are allowed (but are not required). Entries which contain a trademark or logo or promote any brand or product other than those belonging to Discovery Education or CITGO may be disqualified at the Sponsor's discretion.

Entries may not defame or invade the privacy or publicity rights of any person, living or deceased, or otherwise infringe upon a person's personal or proprietary rights. Sponsor's determination as to whether any entry potentially violates the rights of any third party is final.

Judges have the sole discretion to determine whether entries are illegal, immoral, obscene, profane or improper, and judges may disqualify such entries. Further, the Sponsor reserves the right to disqualify any entry at any time which, in the Sponsor's reasonable opinion, endangers the safety or well-being of any person or in the event it is determined that the Student and/or his/her Parent has not complied with these Official Rules. In addition to the Sponsor's right to do so, the judges will also be instructed to disqualify any entry that describes dangerous conduct, stunts, tricks, or conduct that could lead to physical injury, property damage or otherwise violates and/or is inconsistent with these Official Rules.

By participating in this Contest, the Students and their Parent(s) represent and warrant that: (a) the Student (or Team, as applicable) is the creator of the entry; (b) the concept, ideas, and language used in the entry are wholly original to the Student/Team; (c) the entry conforms to all requirements stated in these Official Rules and at the Website; (d) the entry does not contain confidential material; (e) with the exception of any materials for which properly cited references are provided, the entry does not infringe the intellectual property, privacy or publicity rights or any other legal or moral rights of any third party; (f) the entry video has not previously been entered in any other contest (apart from a school, school district or school-related science fair where direct awards are not made available by corporate sponsors); and (g) the entry video has not been previously published in any medium (apart from posting as an unlisted video on YouTube in accordance with these Official Rules), nor has it been submitted for any previous awards or recognitions

(outside of a school, school district or school-related science fair where direct awards are not made available by corporate sponsors).

Further, by participating, the Students and their Parent(s): (a) agree to waive any claim for reimbursement for any equipment or materials necessary to submit an entry regardless of whether or not any particular entry is selected for any prize; (b) acknowledge that the material that will be submitted as part of the Contest may embody materials, suggestions, or ideas similar to those which have been developed by others or by the Contest Entities and hereby acknowledges that any similarity is purely coincidental and unavoidable in light of the volume of ideas that the Contest Entities routinely use and consider in the course of each of their business activities, and understands that the Student and/or Parent will not be entitled to any compensation because of use by the Contest Entities of any materials similar to those in a Student's entry; (c) hereby waive any right to any claim or liability with respect to the Contest Entities' use of similar materials; (d) acknowledge that the Sponsor is in no way obligated to broadcast, publish or use any entry in any way; and (e) understand that submitting any element that is copyrighted by another individual will result in the Student and the Student's Parent(s) being responsible for any legal action the legal copyright holder might take against the Releasees (as defined below in Section 14).

Nothing herein shall constitute an employment, joint venture, or partnership relationship between any Student and the Sponsor, CITGO or other of the Contest Entities. In no way is any Student to be construed as the agent or to be acting as the agent of any of the Contest Entities, including the Sponsor or CITGO. The Contest Entities shall have no liability or responsibility for unauthorized third-party use of any entry.

8. ENTRY VIDEO UPLOAD: In preparation for submission of an entry video, the Parent of the Student (**or for an entry video created by a Team, the Parent of the Student Team Leader**) must first create a registered user account at www.youtube.com and agree to all applicable terms at that site. There is no fee or charge to become a registered user of YouTube. YouTube is not a sponsor of this Contest, nor does YouTube endorse or administer the Contest. Further, entries which do not comply with the YouTube [Community Guidelines](#) will be disqualified. Entry video file size limitation and file format must adhere to YouTube specifications. Entry videos may not be submitted in any other format or through any other digital channel.

Next, the **Student's Parent** must access their YouTube account, upload the entry video, title the video "Fueling Education Submission – [Your title]", **set the video's privacy settings to "Unlisted"**, note the unique URL that YouTube has given the video, and provide the URL to the Student.

In order for an entry video to be considered for judging, the Parent must maintain their YouTube account in good standing and must continue to host the video, with the video's privacy settings set to "Unlisted" and at the same URL disclosed in the Contest entry, through May 31, 2020 (unless asked by Sponsor to remove the video from YouTube prior to this date). Students and their Parents agree that, upon request by the Sponsor, Students and their Parents will provide a digital copy of the entry video in native format, and remove the entry video from YouTube if/as directed by the Sponsor.

Note that simply uploading an entry video to YouTube does not constitute entry into the Contest; See Section 9 below for entry submission instructions.

9. TO SUBMIT AN ENTRY: To submit an entry, the Student must visit www.fuelingeducation.com during the Submission Period and log in by using the Student's username and password to access the entry page (after the Student's Parent has completed the Consent Form and Registration Form described in Section 5). At the entry page, the Student will be prompted to provide the unique YouTube URL for the entry video and provide any additional requested entry information (including a properly completed Consent Form for each additional Team member, if the Student is submitting an entry on behalf of a Team), in accordance with the instructions detailed at the Website, which are incorporated herein by reference. In the event of any inconsistency between such instructions and these Official Rules, the terms of these Official Rules shall prevail.

Once the entry form is completed, the Student or submitting Parent must click the “Save and Submit” button at the bottom of the form so that the entry is received by Sponsor’s server no later than **8:00 PM ET on March 2, 2020**. If a Student wishes to save the work prior to submitting the entry, the Student may click the “Save for Later” button at the bottom of the entry form, then return prior to 8:00 PM ET on March 2, 2020 to update the entry information (including the option to update their entry video URL) and click the “Save and Submit” button at the bottom of the entry form. Once an entry form has been submitted, no further edits are permitted (unless edits to an entry are specifically requested by Sponsor or its designee as further detailed in Section 13). If an entry form has not been submitted by 8:00 PM ET on March 2, 2020, the entry will not be included in the Contest judging.

There is a limit of one (1) entry per Student, regardless of whether that Student participates as an individual or on an eligible Team of Students. Entries received in excess of this limit will be void.

10. DETERMINATION OF WINNERS: All entries will first be screened to ensure they meet the entry criteria. A panel of qualified judges from Sponsor, CITGO and/or their Sponsor-selected organizations will then score qualifying entries using the following judging criteria:

- Creativity (30% of score);
- STEM Knowledge (30% of score);
- Effective Communication (20% of score); and
- Overall Presentation (20% of score).

The highest scoring entry will be deemed the potential Grand Prize-winning entry, the second-highest scoring entry will be deemed the potential Second Prize-winning entry, and the third-highest scoring entry will be deemed the potential Third Prize-winning entry.

In the event of any ties, the “Creativity” score will be used as a first tiebreaker. In the event any tie remains after applying this first tiebreaker, the “Overall Presentation” score will be used as a secondary tiebreaker. The decisions of Sponsor and Judges are final and binding in all matters. If an insufficient number of qualified entries are received at any level in the Contest, the Sponsor has the absolute discretion to award fewer prizes than stated in these Official Rules.

11. PRIZES: The following prizes will be made available:

One (1) Grand Prize: a \$20,000 prize awarded in the form of a check made payable to the winner (or if won by a Team, divided equally between Team members and awarded in the form of checks made payable to the winning Team members).

One (1) Second Prize: a \$10,000 prize awarded in the form of a check made payable to the winner (or if won by a Team, divided equally between Team members and awarded in the form of checks made payable to the winning Team members).

One (1) Third Prize: a \$5,000 prize awarded in the form of a check made payable to the winner (or if won by a Team, divided equally between Team members and awarded in the form of checks made payable to the winning Team members).

12. SCHOOL OVERLAY DRAWING:

12a. Description: Sponsor will track which Eligible School is associated with which Contest entry. Each eligible School which is associated with five (5) or more eligible Contest entries will automatically receive one (1) entry into a random drawing (the “School Overlay Drawing”). Limit one (1) School Overlay Drawing entry, per Eligible School.

12b. Random Drawing, Winner Notification, Odds of Winning: On or about March 15, 2020, an independent judging organization will conduct a random drawing from among all eligible School Overlay Drawing entries to select one (1) potential winning entry. The principal of the potential

winning Eligible School will be notified in March or April of 2020 in accordance with the winner notification process described in Section 13 below. Odds of winning the School Overlay Drawing depend on the number of eligible School Overlay Drawing entries.

12c. Prize Description, Prize Restrictions: One (1) School Overlay Drawing Prize will be awarded to the verified winning Eligible School, consisting of a check in the amount of \$2,000 made payable to the winning Eligible School. To claim this prize, the applicable Eligible School must not be involved (at the time of the drawing, winner verification, and/or prize award) in discussions with Sponsor for new/additional Sponsor services. In the event that Sponsor believes that the potential award of any prize (or portion thereof) to a particular school, educator or other public employee may violate any law, rule, or regulation, the Sponsor reserves the right in its sole discretion to: [a] award the prize instead to the PTA/PTO or similar organization affiliated with the applicable school/educator/employee, as determined by Sponsor in its sole discretion; [b] award the prize instead to a non-profit organization selected by the applicable school/educator/employee (subject to approval by Sponsor in its sole discretion); or [c] to award the prize to an alternate winner selected using the remaining applicable eligible entries via the means of winner determination described herein, pending verification of eligibility. The School Overlay Drawing promotion is subject to all other applicable terms of the Official Rules of the CITGO Fueling Education Challenge.

13. WINNER NOTIFICATION AND ADDITIONAL PRIZE RESTRICTIONS: The Parents of potential winners (or in the case of a potential prize-winning school, that school's principal) will be notified by email and/or by telephone (at the Sponsor's discretion), and will be sent an email including an affidavit/documentation of eligibility and liability release, intellectual property release and perpetual license agreement (if submitted by Parent for a Student), and (where legal) a publicity release. Each potential winner (and if a Student, the Student's Parent[s]) will be required to complete and return the aforementioned applicable documents within three (3) full business days (measured in the local time zone) from the time of request by Sponsor or Sponsor's designee. Note that the Sponsor reserves the right to notify a Sponsor-selected quantity of higher-scoring Contest entrants as "Finalists" who will be required (along with their Parents) to complete the aforementioned documents required of potential winners, within three (3) full business days (measured in the local time zone) from the time of request by Sponsor or Sponsor's designee. However, "Finalist" designation does not include any prizes, and notification as a "Finalist" is not a guarantee that the applicable entry was (or will be) selected as a prize-winning entry. Any potential recipient of prizes valued at \$600 or more will be required to complete and return an IRS W-9 form. Each recipient of a prize amount may receive an IRS Form 1099 reflecting the final actual value of the prize, if applicable. Additionally, the Sponsor reserves the right to request, from any entrant and at any time, an edited version of an entry, where such edits are deemed necessary but do not materially improve the quality of the entry, all as determined by the Sponsor, to be returned within three (3) full business days (measured in the local time zone) from the time of request by Sponsor or Sponsor's designee. Failure to timely complete and return the properly signed affidavit and releases or other prize documentation and requested materials, or if a potential winner chooses to decline a prize for any reason, or fails to comply with any requirement of these Official Rules, may result in disqualification. Return of any prize/prize notification as undeliverable, or inability of the Sponsor to contact potential winner(s), may also result in disqualification. In the event of disqualification, at Sponsor's sole discretion the applicable prize may be awarded to an alternate winner selected from among the remaining applicable eligible entries via the means of winner determination described herein, pending verification of eligibility. If any prize remains unclaimed after three potential winners have been notified for that prize, the prize may remain unawarded. No responsibility is assumed by the Sponsor for any incorrect or missing postal address, e-mail address or phone number associated with an entry, or any change of address, e-mail or phone number of a participant after entry submission. Further, where legal, as a condition of winning, winning Students may be required to provide a photograph for publicity purposes. Failure to participate in said events or to provide a photograph may result in disqualification and forfeiture of prizes, where legal. Any prize details not specified herein will be determined by the Sponsor. Prizes are not transferable or refundable and must be accepted as awarded. No other substitutions may be made, except by the Sponsor, who reserves the right to substitute a prize (or component thereof) with another prize (or component thereof) of comparable or greater value. The Sponsor will not be liable for any delay, curtailment or non-occurrence of any part of the Contest or prize, which in each case arises from any cause or causes beyond the Sponsor's reasonable

control including without limitation any of the following: act of God, governmental act, war, terrorism, adverse weather conditions, fire, flood, explosion or civil commotion. Prize recipients are solely responsible for all applicable federal, state, and local taxes and for any expenses, costs or fees associated with acceptance and/or use of prizes not specified herein as being included. Prizes are awarded "as is" with no warranty or guarantee, either express or implied.

14. RESTRICTIONS, RIGHTS AND RELEASE: By participating, and except where prohibited by applicable law, each Student and the Student's Parent(s) and any prize recipients (collectively, the "Releasing Parties" and each individually, a "Releasing Party") agree to release, discharge and hold harmless the Contest Entities (including Discovery Education, Inc. and CITGO Petroleum Corporation), Discovery, Inc., and YouTube, together with the respective parents, subsidiaries, officers, directors, employees, representatives, agents, shareholders, successors and assigns of each (aforementioned individuals and organizations collectively, the "Releasees"), from any and all injuries, liability, losses and damages of any kind resulting from any Releasing Party's participating in the Contest (including, but not limited to, traveling to, preparing for or participating in any Contest-related activity) or any Releasing Party's acceptance, use or misuse of a prize including, without limitation, personal injury, death and property damage, and claims based on publicity rights, copyright, trademark, defamation or invasion of privacy. By participating, each Student and the Student's Parent(s) agree to grant the Sponsor and CITGO: (1) an irrevocable and perpetual, royalty-free, worldwide license, in all media (now known or later developed) to assign, use, publish, edit, adapt, modify, alter, reproduce, distribute, broadcast, display, and create derivative works of entries and any other submitted materials, for commercial or non-commercial use, without further permission; and (2) to permit the Sponsor and CITGO to use his or her name, photograph, likeness, entry and other submitted materials, biographical information, voice, voice likeness, and city and state address for advertising, publicity and promotional purposes in all media, including but not limited to within the Sponsor's and CITGO websites in perpetuity, without compensation (unless prohibited by law) and agree to execute specific consent to such use upon request if required in addition to the terms of this document.

In the event that the operation, security, or administration of the Contest (or portion thereof) is impaired in any way for any reason, including, but not limited to fraud, virus, or other technical problem, the Sponsor may, in its sole discretion, either: (1) suspend the Contest (or portion thereof) to address the impairment and then resume the Contest (or portion thereof) in a manner that best conforms to the spirit of these Official Rules; (2) award the prize(s) via the means of winner determination described herein, from among the applicable nonsuspect, eligible entries received up to the time of the impairment; or (3) to proceed in such a manner as may be deemed fair and equitable by Sponsor. In the event of any discrepancy between the English language version of these Official Rules and any other translated versions, abbreviated versions,
